MARTIN & INES FRITZSCH, MUEHLWEG 3, 08112 WILKAU-HASSLAU

Dear friends,

best wishes to the Advent season shall be given to you from us today. Jesus or Yeshua, like he is been called by our Jewish siblings, is going to come into this world. Advent is preparation time. We shall prepare ourselves for the kingdom of God, which is to come. For God himself, who will and is to come.

As God became man as a baby in Bethlehem, he was born into a Jewish family. At that time Jews were probably not that popular within the Roman Empire, like it is for many places today. It is obvious that there was for sure no lower place for the Messiah than this barn in Judea.

But even deeper leads his way, till he reaches his very low point at the cross. That point marks the change of world history. The love and mercy of God is been revealed ever since. To every man the door towards Gods kingdom is wide open.

The „entrance card“ into this kingdom is the willingness to subordinate under the righteousness of the God of Israel, to change ways (repent) and to lay down own ideas. Respectively towards Israel. The profit for this action is endless precious and is in no way comparable for what we give up.

Which answer would the Three Wise Men get from you today, if they would ask you after the new born King of the Jews? For many years I, Martin, could have told them something about the saviour of the world. But regarding the King of the Jews? Or about the topic that I am rooted within the Jewish Nation? Or by the cross of Jesus now become a blood relative of the Jews? Or that through the Holy Communion Jewish blood is flowing within me?

When the Lion of Juda returns on the throne of David, he is not going to erect his kingdom of peace at first in Germany. Not in Brussels, New York, Beijing or Moscow. It is going to be a Jewish kingdom with the throne in Jerusalem, the capital of Israel. What is moving you right now concerning that vision?

Will we be prepared to say like The Three Wise Men: „We came to worship HIM“? Do we want to align anew towards his commands, especially towards that topics? And what would it mean to you as consequence? Advent is preparation time. For that topic as well. Maybe the right time has come to ask your questions directly towards the King of the Jews?

Many services we were able to this year in Germany and in Israel. We were pleased to help others to worship the King of the Jews with our songs. We could speak and preach about what the word of God is saying about that topics. We were

WHERE IS HE WHO HAS BEEN BORN KING OF THE JEWS? FOR WE SAW HIS STAR WHEN IT ROSE AND HAVE COME TO WORSHIP HIM.

(MT 2:2)

honoured to help that between Jews and Saxons encounters have taken place, so that the family of God, the blood relatives, got to know each other.

We are amazed how God is using now the gifts that HE has put within us. In other topics he is leading us right now or even deeper within, especially when we think about Auschwitz or the plans for the prayer and worship journey. Learning and giving almost can't be separated or distinguished, as our impression is. We try to keep up with the spirit of God and to be close to Jesus.

We had been impressed by the honesty of one certain man, who came to us after one sermon. He said: „You know what, I actually had never been against Israel. But that, what you shared today, I never knew. I know now, I have to repent and turnaround from my conduct towards Israel. I need to talk with God about what I heard today and what needs to be changed.“

Klaus wrote to us several weeks ago: „... 2001 I had encounters with Messianic Jews for the first time. They were Russian-German Jews, who acknowledged Jeshua as their Lord of their life. I had been fascinated in which way they lived their faith. I needed to know more about. But, as it sometimes going to happen. Many things, we want to do, disappear from our to-do list. ... Now, Martin was preaching about Romans 11:11. This verse hit me like a hammer. I needed to repent from my carelessness to seek the fellow Jewish citizens. The prayer, to find fellow Jewish citizens, is now on the top of my prayer list.“

Somebody may ask: „Does the topic always need to be Israel? Is there now other more important thing?“ For sure, there are some. And may our Lord grant us mercy when we are going to deal with them. But, we have a strong impression, that whereat we have wrote about, it helps to examine our hearts attitude and to put our own will under the will of God our father.

Due to the visits to Auschwitz God spoke quite plain to us. Worship and Israel, these are the two topics that God laid deep within us. What we've heard and understood by the spirit of God we have written down. Unfortunately the brochure is only available in German. But it is downloadable from our homepage for those who are interested in.

All our current dates can be seen, like always, at our homepage, especially towards the prayer and worship journeys to Auschwitz and Jerusalem in 2019. The group sizes are limited, so it needs an early bird registration!

Many thanks for all your support through prayer, practical help, fellowship and love, which is been flowing from you to us and further as a message into the land. How precious! That, as we feel, reflects the blood relationship within the family of God. We plead towards God, that he might blesses you richly for all your support!

To us all, we wish prepared hearts for his return!
From our heart to your, your
